Case No. 3:05-CR-00075-01-JWS

Sang Hyuck Kang

On February 16, 2006, the above-named was placed on probation for a period of five years. The defendant has adjusted well to supervision and has complied with the rules and regulations of probation. Since the beginning of supervision, the offender has submitted monthly reports and has paid the \$7,150.76 restitution ordered in this case. Furthermore, the Offender has obtained stable residency and employment while on supervision. It appears that Mr. Kang has complied with all of his conditions of supervised release; therefore, it is recommended that Sang Hyucj Kang be discharged from supervision. The U.S. Attorney's Office has been consulted and has no objection to an early termination from supervision.
